RE-ADJUSTERS' TICKET.

- FOR PRESIDENT: GEN. WINFIELD SCOTT HANCOCK, OF PENNSYLVANIA. FOR VICE-PRESIDENT: HON. WILLIAM H. ENGLISH, OF INDIANA.

DISCUSSION AT TAZEWELL C. H.

A very interesting political discussion took place at Tazewell C. H. on Tuesday the 10th inst. Capt. JNO. PAUL, of Richingham had gone to that place to address the people in behalf of the 7th of July electoral ticket, and a large number of the good citizens of Tazewell had turned out to hear him.

enthusiastic meeting of the 16th instant, Maj. T. Wilson was selected as chairman and C. M. Webber as secretary.

The chairman stated the object of the meeting to be to appoint delegates to the Congressional Convention, to be held at Abingdon on the 1st of September, 1880; whereupon Col. G. W. Hansbrough offered the following resolutions which were unanimously adopted:

Whereas there still remains unreformed and unremoved the many evils, State and Federal, for the cure and removal whereof the party of Readjustment in Virginia was formed; and whereas we are taught by past experience that weakness and defeat are the sure results of even temporary disbandment and relaxation of vigilant guard upon the purposes and movements of our political adversaries; and that strength and victory can only be hoped for and expected to follow...

DEMOCRATIC CHAIRMAN.

A CARD FROM MR. RIDDLEBERGER.

THE FUNDERS got out another false report to try to injure the Readjusters electoral ticket. They said that RIDDLEBERGER had told some one that he would vote for GRANT if he was nominated at Chicago. We copy in full, below, a letter written to the Richmond Dispatch by Capt. RIDDLEBERGER which proves that another false report has been circulated in the interest of Funderism:

PETERSBURG, August 13, 1880. To the Editors of the Dispatch: Your paper of this morning extracts from the Shenandoah Herald a paragraph designed to convey the impression that I had at some time told Mr. William Borden that I would support General Grant if he were made the nominee of the Chicago Convention.

The fact is, I have never uttered a word to imply, or signified by any act, that I would support General Grant or any other nominee of the Chicago Convention, and was all the time urging the nomination of General Hancock as against Field, Bayard, Seymour, and the whole corps of Funder candidates.

There is no use of discussing terms of capitulation. The Funder must surrender unconditionally. They know well that as a defeated minority they ought to do it; and we know well as the victorious majority that they will do it.

We have had quite enough of this insolent bluster and nonsense, and hope that nobody will talk further about making terms with this faction. We must crush them out; and there never was a better time for it. For one, we will neither discuss "terms of capitulation," nor terms of union with those whom we regard as enemies of the National Democratic party.

When the Readjusters talk about the Funder faction capitulating; but it is wise prudent and patriotic to try to draw Readjusters away from their party, into a faction one of whose bitter organs in speaking of the Readjusters says, "We must crush them out, and there never was a better time for it."

COL. JAMES C. TAYLOR, elector on the Readjuster's ticket for this district was announced to speak at Marion on Monday; and he came here on Sunday night to fill the appointment, but concluded that HARRY RIDDLEBERGER would be equal to the occasion and every emergency. Col. Taylor left on the mail train on Monday morn'g going down to Dublin, thence to Giles C. H., where he spoke on Tuesday. Col. Taylor will make an active canvass of the district, and will be more than a match for the newly appointed elector on the Funder ticket.

A young friend of ours, who has heretofore been voting with the Funder, has been figuring a little on the State debt recently, and the scales are falling from his eyes. He is disposed to fix the just indebtedness of the State at a much lower figure than the "Riddleberger Bill" does. He places it at about twelve millions. Nothing like investigating. If honest Funder will only investigate, they will change their minds.

SENATOR VANCE who recently spoke at Staunton, upon an invitation of the Funder Democrats, said, we are told, that if any one expected that he would say anything rough about the Readjusters that they were greatly mistaken. That his State had recently readjusted its debt, and that he had favored it. This was the substance of his remarks.

The Wheat Crop of 1880.

Now that the wheat in all parts of the country has been harvested and is, therefore, beyond the reach of danger, it is possible to form a reliable estimate of the actual yield of this season. All predictions heretofore have been purely speculative, since bad weather might at any time have seriously damaged the growing crop. But although in some States such damage was inflicted to a considerable extent, there is no reason to suppose that the yield will be less than last year.

1. That we will employ every effort to maintain the power and unity of the Readjuster party, and to preserve its successful organization until the accomplishment of its mission and that we heartily endorse its platform and electoral ticket, instructed in behalf of Hancock and English, as adopted by the Convention of the 7th of July, 1880.

2. That we respectfully ask of Congress the repeal of the tax on the manufacture of tobacco and of spirits, from fruits, and in fact, of all internal revenue laws, and the support of the government by revenues derived alone from duties on imports.

3. That W. L. Wilson and C. M. Webber, for Salem district; T. M. Starkey, J. J. Huff, for Cave Spring district; A. S. Asberry and D. C. Yates, for Big Lick district; John Layman, for Catawba district; are hereby appointed delegates to represent the County of Roanoke in the Readjuster Congressional Convention to be held at Abingdon on 1st of September next; and that they are instructed to support for the nomination by that Convention, that tried, true and able champion of our cause, Captain F. S. Blair, of Wythe county.

Senator David Davis for Hancock.

WASHINGTON, August 8.—Senator David Davis, of Illinois, has addressed a letter to Mr. James M. Harvey, ex secretary of the National Democratic Committee, strongly endorsing Gen. Hancock. In the course of his letter he says: I have no hesitation in supporting Gen. Hancock, for the best of all reasons to my mind, because his elect on will put an end to sectional strife and to sectional parties, and will revive a patriotic sentiment all over the land, which political leaders and factions, for sinister ends, have sought to prevent.

On motion the proceedings of the meeting were ordered to be published in the Salem Register, Richmond Whig, and the Readjuster papers of this Congressional district. T. J. WILSON, Chairman. C. M. WEBBER, Secretary.

Blacksburg College.

Yellow Sulphur Springs, Va., Aug. 14.—The Board of Visitors of the Virginia Agricultural and Mechanical College has been in session at Blacksburg two days—every member present. Christian, of Pittsylvania; Agriculture, Dr. Martin P. Scott, of the Baltimore Medical College; Mechanics and Drawing, Eli Tutwiler, of Rockbridge; Treasurer, Judge John Gardner, of Christiansburg.

Dr. Buchanan was offered the presidency but declined. The Faculty are to appoint an assistant professor of English when necessary. New York's Coming World's Fair.

NEW YORK, August 12.—At the session of the international Exhibition commissioners, in New York, to-day, President Barnard, of Columbia College, was appointed the sixth member of the committee to prepare an address to the people of the United States. The chairman of the executive committee reported the adoption of a resolution by that body requiring 10 per cent. of subscription money to be paid January 1, 1881, and 10 per cent. every sixty days thereafter. Dr. Newman, on behalf of the executive committee, stated that the address to the people could not be prepared within thirty days and that if the executive committee then thought its publication premature it would not be published. The commissioners then adjourned subject to call and the executive committee went into session.

Mayor Cooper was nominated chairman of the executive committee, but declined, owing to a pressure of business. Mr. Samuel A. Haines agreeing to accept the vice chairmanship, Mr. W. L. Strong, of New York, was elected chairman. In response to an inquiry Mayor Cooper said it would be desirable to hold the exhibition in Central Park, but special legislation would be required to that end. The chairman was empowered to appoint committees on site and finance. It was decided to open subscription books on September 15 at the Farmers' Loan and Trust Trust Company in this city. Committees on State legislation and exhibits were decided upon after which the executive committee adjourned, subject to the call of the chair.

Taking the Black Veil.

BALTIMORE, August 14.—At the Convant of Notre Dame, at Govans-town, a few miles from this city, this morning, forty-five young ladies took the black veil, attended by the interesting ceremonies of the Catholic Church, and witnessed by an immense congregation. The cars leading to the convent from an early hour until the ceremonies took place were crowded with relatives and friends of the young ladies. Rev. Father Neithart, of New Orleans, delivered an address, after which solemn mass was celebrated. The usual ceremonies then followed, and the novices were invested with the black veil.

RIDDLEBERGER SPEAKS!!!

READJUSTERS OF SMYTH SOLID.

Harry, of Shenandoah, Greeted With Enthusiasm.

The Funders Can't See Any "Pint" in His Speech.

According to announcement, Capt. H. H. RIDDLEBERGER, of Shenandoah, appeared before the people of Smyth on Monday, in behalf of the Readjuster's electoral ticket, of which he is a member, and which is certain to cast the vote of Virginia for HANCOCK and ENGLISH.

We had confidently expected and hoped that some of the Big Funder guns, who are advocates of the LOVELL ticket, would be on hand to argue for a division of time with RIDDLEBERGER; but the Funder lights are not so anxious to come before the people as they were last Fall. The two Funder canvassers for this Senatorial district were present and took very copious notes on HARRY'S speech, for future use, we suppose, though they could not see that there was any point in his remarks. The court house was crowded and jammed all the time the gallant Readjuster was speaking, and he held the fixed attention of the audience for about two and a half hours.

Never did the arguments of a speaker seemingly sink deeper into the minds of an audience than did those of RIDDLEBERGER. If there were any Readjusters in Smyth who were doubtful as to the course they were to pursue in the Presidential election, those doubts were removed on Monday, and we predict that the solid vote of Smyth county Readjusters will be given to the 7th of July ticket. RIDDLEBERGER convinced them most conclusively that Readjustment in Virginia had something to do with the National contest, and that even in National elections it was the duty of the people of a State to look after the important questions that were interwoven in their State politics.

He succeeded, moreover, in convincing his Readjuster hearers that his party was the only representative in the State of genuine democratic principles, in that it favored the upholding of the sovereign powers of the State, stood forth boldly for free and full education, and manhood suffrage. Besides, he convinced them that the Funders had assumed the name of Democrats only to mislead, and that in this canvass the same modes of misrepresentation would be used as were employed last fall. He showed that the 19th of May ticket was not Democratic, in that more than one of the electors upon it, at various times and in various ways, last fall, and since aided to elect Republicans over Conservatives, simply because those Conservatives were Readjusters.

RIDDLEBERGER by a plain statement of facts gave a clear showing up of the Funder Democratic party, and his speech will tell, so far as a public sentiment is concerned, in Smyth County.

Camp Meetings.

The regular annual Camp Meeting will be held at Asbury Camp Ground, on Cripple Creek this week, beginning on Friday, and extending over Sunday. This meeting is always largely attended by persons from adjoining counties. Capt. James M. Snively, of Rural Retreat, at this, as at former meetings, will open a hotel on the grounds for the accommodation of guests, and everybody knows, who has ever tried him, that he takes most excellent care of those who entrust themselves to him for comfort. So stop with him if you go to the Camp Meeting.

A Platform Needed.

For some time we have been intending to call the attention of the railroad authorities to the great necessity for a platform by the side of the track at the depot at this place. Where the train now stops, when westward bound, it is almost impossible for ladies to get in and out of the cars. They have to be lifted off the steps when getting out, and dragged up when desirous of entering the cars. It would not cost much to have the platform erected, and it will contribute so much to the comfort of passengers that we are sure the authorities will have the platform put up if their attention is properly directed to it.

To the Democrats of Smyth Co.

There will be a meeting of the voters of Smyth Co., at Marion, on Saturday, Sept. 4th, to appoint delegates to nominate a Democratic candidate for Congress, in the 9th dist., at the Dist Convention to be held at Abingdon, Va., on the 16th day of September, 1880. At which time a Hancock and English Flag will be raised. Hon. John W. Daniel and other distinguished speakers will be present at the meeting.

There will also be speaking at the Court house on the first day of September next, in behalf of the First Hancock and English Ticket, by Mr. John A. Buchanan and others. JOHN L. SANDERS, Chairman Dem. Co., Com.

A Remarkable Court Scene.

A very remarkable scene could have been witnessed in the County Court of Smyth on Tuesday. A negro woman was being tried for assault and battery upon another negro woman. She was being tried before twelve white jurors. The witnesses, with two exceptions, were colored. A large crowd of spectators were looking on, listening and enjoying the scene. Among the crowd was a Prof. of the University, the Principal of Marion High School, an ex-County Judge, an ex-County Clerk, ten Lawyers, three Sheriffs, an ex-Member of Congress, two Editors, the Mayor of the town, a few other white persons, and about fifty able-bodied colored persons, male and female. We were struck with the waste of time and money that is occasioned by bringing such cases before a jury. A magistrate should have final jurisdiction in such cases.

THE FARM AND HOUSEHOLD.

KILL YOUR SHEEP YOUNG

There are few animals kept on the farm, which when they are in their prime, pay as well as sheep, and there are very few, any others upon whom old age has such damaging effect.

A DAIRY SPRING HOUSE

A correspondent of the American Dairyman gives the following description of a model spring-house for a dairy. He writes: "Spring-houses may be most excellent, or they may be very bad."

THE POULTRY YARD

Liee brood and breed and hive under the roosts. The better way of feeding corn to chickens, is in crushed or cracked form.

Cleanliness is one of the most important considerations in keeping poultry. The labor is not great if pursued systematically.

The French mode of killing fowls, by making, with a sharp pointed knife, an incision at the back of the roof of the mouth, which will divide the vertebra and cause immediate death without pain or disfigurement, is doubtless the best.

PERFECTLY SAFE IN THE MOST INEXPERIENCED HANDS!

For Diarrhoea, Dysentery, Cramps, Cholera, AND ALL THOSE NUMEROUS TROUBLES OF THE STOMACH AND BOWELS SO PREVALENT AT THIS SEASON.

PERRY DAVIS' VEGETABLE PAIN KILLER

It has been used with such wonderful success in all parts of the world in the treatment of those difficulties, that it has come to be considered an UNFAILING CURE FOR ALL SUMMER COMPLAINTS.

THE BEST EVIDENCE: I have long used the medicine known as PERRY DAVIS' VEGETABLE PAIN KILLER in my family and would not on any account be without it.

BEST IN THE WORLD!

ARM AND HAMMER BRAND. CHEMICAL PURE.

Impure Bi-Carb Soda is of a slightly dirty white color. It may be white, but is not pure. It is not a COMPARISON WITH CHURCH & CO'S ARM AND HAMMER BRAND WILL SHOW THE DIFFERENCE.

See that your Baking Soda is of the ARM AND HAMMER BRAND. It is the BEST IN THE WORLD.

A simple but severe test of the comparative value of different brands of Soda is to dissolve a dessert spoonful of each kind with about a pint of water (hot preferred) in clean glasses, stirring until all is thoroughly dissolved. The delicious insoluble matter in the inferior Soda will be absent in the superior one. The quantity of floating matter according to quality.

Be sure and ask for Church & Co's Soda and see that their name is on the package and you will get the purest and whitest made. The use of the white soda milk is preferred to Baking Powder, saves twenty times its cost.

See one pound package for valuable information. See our receipt book.
