7,400 Students Expected for Smyth Schools This Year

The last few days of summer vacation are fast coming to an end for approximately 7,400 students of Smyth County, with schools to begin their 1955-56 session at 9 a. m. next Tuesday.

Pre-school enrollment figures indicates an overall increase of 150 pupils over last year, according to Leonard Mauck, county superintendent of education. The largest percentage of increase is expected in the high schools.

Last year 5,225 elementary and 2,012 high school students enrolled at the beginning of school.

Preparatory work on the part of teachers and school officials started this week, in order to get classroom work started with a minimum of effort next week.

Approximately 250 teachers reported for work Wednesday. An all day conference was held in Marion on the first day and was to continue through this Thursday.

Teachers will be at their respective schools Friday making final plans. The Smyth County Education Association will hold its first meeting of the year at 10 o'clock Saturday morning at Marion High School.

A half day enrollment session is scheduled for students Tuesday, with most schools to dismiss shortly before noon.

School officials this week urged parents to get their children in school the first day. "This is especially true for the youngsters attending school for the first time," they said. "If these children are kept out of school for several days, they are lost when they do attend. The other children will have formed friendships, learned routine and will be far ahead of the ones who come in late. This is a great handicap. Parents are harming their children rather than favoring them by allowing them to stay out of school the first few days."

And for those who will be counting the days before school is out again and the 1956 summer vacation begins, take hope. School will end next June 5. Holidays between now and then include Thanksgiving holidays, Nov. 24 and 25; Christmas holidays, Dec. 20 through Jan. 2; Easter holidays, March 30 and April 2.

Court Discovers Saltville Has No Law Against DD

Saltville has no town law against drunken driving.

This fact came to light last week during Circuit Court. A drunken driving case against a Raymond F. McCready was nolle prossed as a result of the discovery. He was convicted on another charge, however, a county warrant holding good in the second case.

The lack of law in Saltville came about due to changes in the state law.

Back in 1936 town officials passed a drunken driving law, the law to be the same as the state law then in force.

In 1940 Virginia state law makers put more teeth in their old law, abolishing it and passing a new law. The law was changed again in the fifties.

This left Saltville officials unknowingly out on the limb. Their law and its enforcement rested upon an old law which had been abolished by the state — in other words, there is no law against drunken driving in Saltville.

That's all right though. Warrants charging drunken driving on streets of Saltville can be taken out as either state or county warrants until the situation is remedied.

Drunken drivers still cannot get away with the deed in Saltville, lawyers agree, the county and state laws taking care of the matter until town officials remedy the mistake.

Best of Section to Play In Marion Golf Tourney

Southwest Virginia's largest golf tournament will get underway at the Holston Hills Country Club in Marion this week end, with more than 150 golfers expected to completely fill the course.

Golfers from Virginia, Tennessee, Kentucky, North Carolina, West Virginia and Maryland are expected for the tournament, the third annual Holston Hills Open. The low 120 will start their grinding rounds Saturday morning.

"This tournament has gone far beyond what we first expected, making it necessary to limit match play to the low 120," Jack Barret, tournament chairman, stated this week. "We have already had more than 75 to qualify this Wednesday and nearly that many more are expected to make their rounds and post scores before Friday, the last qualifying day."

Except for a few dry spots, the course has been put in excellent shape. Stewart Sprinkle club pro, reported this week that the course has been cleaned throughout and that the greens will be put in pin point

shape before match play begins Saturday.

"The best golfers of this section will be playing here this week end and we are going all out in keeping the course in the best shape possible," Sprinkle said.

Hotels and motels will be filled to capacity by visitors during the week end, Sprinkle said.

Eighteen hole match play will begin for all flights at 8 a. m., Saturday. After the matches a dance is scheduled for 9 p. m.

Eighteen hole match play will be resumed for all flights at 8 p. m., Sunday. A barbecue is scheduled from 7 to 9 p. m. Championship flights and semi-finals will begin at 8:30 a. m. Monday. Finals and all other flights will start at 9 a. m. on the same day. A buffet luncheon is scheduled from 12 to 2:30 p. m. Championship finals will begin at 2 p. m. and the presentation of awards will begin at 5:30 p. m.

Everything Happens In Smyth

From time to time in court the list of empaneled jurors will be exhausted, prospective jurors being excused for one reason or another.

The usual practice is to search around the courthouse, among spectators in court, or at nearby places of business to secure an eligible juror or two to fill out the panel.

This is usually successful and saves much court time. Court attendants all over the nation use this expediency.

Last week another juror was needed in Circuit Court in Marion.

Judge Thomas L. Hutton asked if there was a volunteer in the courthouse, which would fill out the panel and not halt court proceedings.

For what appeared to be at least a minute everything was quiet, with everyone looking around to see if someone would volunteer by holding up his or her hand.

Then a hand was raised. It was Thomas Leonard who was volunteering. There was just one hitch—Leonard was scheduled to go on trial on charges of shooting into a home. He was told that he couldn't serve, another juror secured and court continued.

Marion Stores To Open Wednesdays

Marion business firms will be open all day Wednesday from now through the Christmas season, ending the half holiday each week this Wednesday.

The Retail Merchants Association, affiliate of the Marion Chamber of Commerce, has sponsored closing of business firms each Wednesday since last January. This did not include service firms, such as service stations, garages, restaurants and drug stores, but was primarily furniture stores, clothing stores and the like.

Marion College Staff Prepares For Opening Day

Members of the staff of Marion College have returned to prepare for the opening of school Sept. 10.

Students of this community who are entering college for the first time are requested to come to the college on the morning of Friday from 9 til 12 o'clock, should they desire a conference with the registrar.

DANCE WILL BE HELD AFTER GAME SATURDAY NIGHT

Immediately following the football game Saturday night, Sept. 3, between the Marion Spartans, Hurricanes and the Rich Valley Steers, there will be a dance held at the community center at 10 p. m. for boys and girls of Marion and out of town youngsters.

Saturday Court Helps Clear Big Docket in Marion

A heavy misdemeanor docket was cleared as far as possible last week in Circuit Court.

Judge Thomas L. Hutton held court over into Saturday in an effort to settle as many cases as possible. This was the first time in many years that such had been necessary, court generally adjourning before this day.

Walter Robins, convicted last Thursday afternoon of simple assault on Dan Frye and given 12 months, had his sentence probated to three years.

Trial of his father on an assault charge was in progress at the time. This was halted and a plea of guilty was entered. Then three brothers, Charles Robins, Raymond Robins and Wiley Robins, scheduled for trial on similar charges, entered pleas of guilty on simple assault charges. All received 12 months in jail, probated to three years.

Sentences were meted out in the following cases: Raymond McCready, driving under the influence of an intoxicant, \$100 and 60 days. A similar appealed case from Saltville town court was nolle prossed when it was discovered the town had no law against drunken driving.

Bill Greenwood, selling licensed whiskey, two counts, \$50 and 30 days on each count. Motion for probation is under advisement.

Thomas (Bugger) Leonard shooting into a dwelling, four years, probation under advisement.

Dickie Allen Allison, breaking and entering, two counts, two years on each, probation from a previous conviction revoked. A marginal home product, probation in this case also is under advisement, providing a proper home for him can be found.

Leon Authenreith had his probation revoked and began serving 12 months in jail. Time previously spent in confinement will credited.

Cases disposed of with fines and probation or suspended sentences included:

Roy Minton, assault, \$250, 12 months in jail, probated for two years.

Ralph Stump, driving under the influence of an intoxicant, \$100 and 90 days, time suspended.

James Franklin Musselwhite, driving under the influence of an intoxicant, \$125 and 90 days, time suspended.

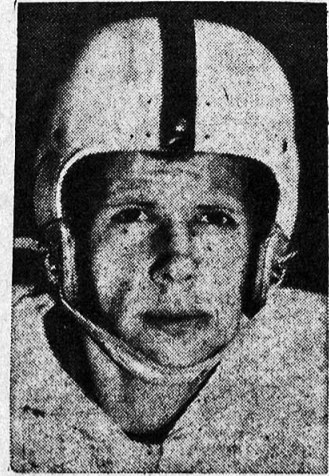

Roy Owens, adultery, \$100; driving while license revoked, 10 days, suspended; contempt of court, \$10. His companion in the adultery charge was fined \$50.

John Paul Barton, driving under the influence of an intoxicant, \$100, 30 days suspended.

SMYTH FARMERS GROUP SLATES PICNIC AT PARK SUNDAY

All Smyth County Farmers Union, members and their families are having a picnic at Hungry Mother State Park at 2 p. m. Sunday, Sept. 11.

Drinks will be furnished by the county organization and all attending are asked to bring picnic baskets.

Marion Man

Blacksburg, Aug. 31 — Billy Anderson, the former 145-pound Virginia Tech halfback, will return to the Gobblers as an assistant coach this fall, Coach Frank Moseley said today.

Anderson, a native of Marion, will join Bob Luttrell, Bristol, and Tom Petty, Hampton, the regular ends on last year's undefeated team, as assistant coaches on the Tech staff. Petty and Luttrell will report for duty when practice opens early Thursday morning, while Anderson will report about Sept. 10.

Anderson played for Marion High School before entering Tech. He was one of Tech's outstanding players and was cited a number of times for his teamwork and sportsmanship, being popular with students, coaches, teachers and fans. He is an electrical engineering student and will continue his studies at the school this year.

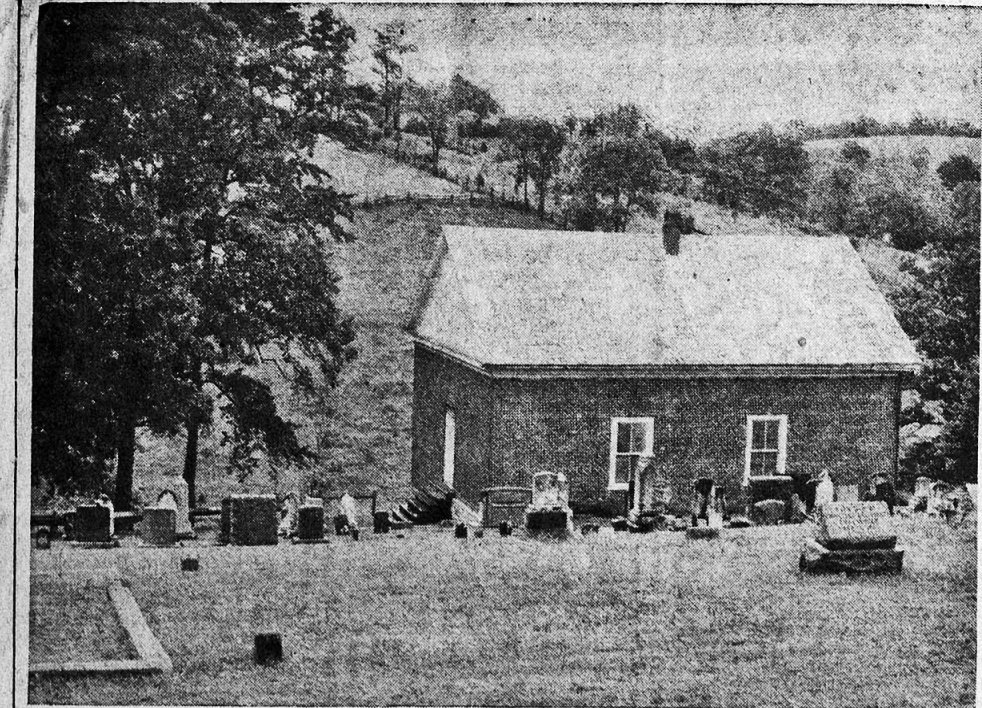

Smyth County Has Three Winners In Demonstration Contest

Smyth County boasted three winners in the Southwest District 4-H Girls Demonstration Contest held in Abingdon, Aug. 19.

Betty Ann Bear, from the Atkins 4-H Club, won a first place award for her frozen foods demonstration; Nancy Horne, from the Marion 4-H Club, won a first place award for her breads demonstration, and Martha McDonald, also from the Marion Club, won a blue ribbon and first place in the style dress revue. Janice Owens of the Atkins club won third place in the canning contest. All first place winners will represent the Southwest District in the state contest to be held next summer at VEPI.

Others attending from Smyth County were Miss Karle Bundy, home demonstration agent, Mrs. P. S. Cregger, Peggy Scott, Elizabeth Aker and Mrs. Enoch Horne.

Eleven counties took part in this district contest in which eight types of demonstration contests were held. These included breads, canning, food preparation, frozen foods, dress revue, clothing achievement, dairy foods, and poultry consumption.

LIFE IN SMYTH COUNTY

EARLY SETTLERS of Southwest Virginia brought their guns for protection, their teams for transportation and field work and the bare essentials for housekeeping. But they did bring their religion, many of them coming to this country for religious freedom. Lutherans of the Smyth County section were among those who early realized the need for religion in their community. The home of Lutheranism in the county is Old Ebenezer, founded in 1799, where Homecoming Day will be observed Sunday.

Preston Richardson, Sugar Grove, To Be Recommended for FFA Honor

Hershel Preston Richardson Jr. will be recommended to receive the highest degree offered by the Future Farmers of America, that of American Farmer, at the 28th annual national convention in Kansas City, Mo., Sept. 13.

Richardson will be honored as the American Farmer of vocational agriculture at the Sugar Grove High School in 1949. Mr. Bass reports that he has received information from FFA headquarters in Washington, D. C., stating that the board of student officers and board of directors of the national organization have reviewed the Virginia applications and will recommend to the delegates at the convention that the eight boys receive the coveted award. Approval by these boards usually is tantamount to election by the delegates.

A total of 375 FFA members has been recommended for the degree, largest number to be approved in the 27-year history of the organization. Presentation will take place during the convention on the afternoon of Oct. 11. Each winner will receive a certificate and gold key from the FFA organization and a \$75 check from the Future Farmers of America Foundation, Inc.

Attainment is based on the individual's record in farming, leadership and scholarship. The degree is limited to members who have been out of high school at least one year and are showing evidence of becoming successfully established in farming.

His previous top honor in FFA was won while a student in Sugar Grove High School. He represented the Virginia Association FFA in the national livestock judging contest in Kansas City, winning top honors.

Richardson entered vocational agriculture at the Sugar Grove High School in 1949. He carried three enterprises that year and had an income of \$270.

Today, he is operating a 442 acre farm in partnership with his father and his net worth is over \$12,000. He owns half interest in a Grade A dairy herd of 60 cows and heifers, 25 head of beef cattle, 29 head of sheep, and a large amount of farm equipment. Preston owns a herd of 15 purebred Hereford beef cattle and plans to build this herd up to 25 brood cows.

Crops grown in partnership last year included 55 acres corn for grain, 10 acres corn for silage, 17 acres oats, 12 acres soybeans, 26 acres red clover, 26 acres alfalfa, 7 acre burley tobacco and 200 acres pasture.

Richardson is now a member of the local FFA Chapter, Rye Valley Ruritan Club, Smyth County Farm Bureau, Farmer's Union, DHIA, Artificial Breeders Association and a junior deacon and usher in the Baptist Church.

In this first year in high school he carried on three enterprises, two brood sows, one boar, 200 baby chicks, and one acre of corn. He realized \$270.95 from these.

The next year he added two more enterprises, purchasing 27 head of sheep and a purebred Hereford bull. He also added an acre of oats for grain. That year he made \$439.70.

In his third year he added a dairy heifer, making a total of six enterprises and having an income of \$1,019.

His supervised farm program in his last year of school included six purebred beef heifers, one bull, two acres corn for grain, two acres oats for grain, three brood sows, 33 head of sheep and two acres of barley for grain. His income was \$1,677.03.

Young Richardson has kept the FFA bull since October, 1950. This bull was entered at the Atlantic Rural Exposition in 1951, 52 and 53. It will be shown again in 1955.

He has exhibited beef cattle at Bristol FFA Purebred Show for two years, Rye Valley Fair, six years; Rich Valley Fair, three years, and Galax Fair, two years. He is in Galax this week showing cattle and keeping the FFA bull.

While in school he held three offices in the FFA Chapter, including president, a member of the Beta Club and baseball team.

Firemen Answer Two Calls This Week

Marion Volunteer firemen answered two calls this week, both blazes being put out with not too much damage.

About 12:15 a. m. Tuesday they were called to the Elza Pennington home at Attoway where a fire was burning in the attic. No one was at home when the fire started, with some one passing along the road turning in the alarm.

At 5 a. m. Wednesday another call from the Atkins area came to headquarters. A tractor trailer truck on fire, the blaze again being brought under control.

The truck wheel caught fire, it was reported. Drivers of other trucks stopped and tried to put out the fire with available equipment, but it was too large for portable fire extinguishers, resulting in the fire department being called. Again, damage was slight.

County High School Football Teams Begin Action This Week End

Smyth County football teams will go into action this week end, with all four high schools fielding teams ready for action.

As usual, the coaches have brought out the crying towels before the season opens — but one of the fastest seasons of late years is indicated by pre-season practice. Most teams have a number of returning lettermen to build around and a fast start is indicated.

The Rural Retreat eleven will be a week behind other schools of this vicinity, opening its season next week. Practice started there this Monday.

Games for this week end include:

Friday night: Rich Valley at Marion and Pennington Gap at Saltville.

Saturday: Meadowview at Chilhowie. Game time in each instance is 8 o'clock.

Marion-Rich Valley
Mark Dunham will have a veteran studded eleven to throw against Marion Friday night at the Marion stadium.

Returning lettermen include: David Patrick, end; Jimmy Joe Roberts, right tackle; Jim Worley, back; Ted Buchanan, quarterback; Preston Buchanan, fullback; T. W. Burkett, end; Clifton Carter, Robert Farmer, center; Rhudy Farris, guard; Curtis Gillespie, end; Burton Johnson, guard.

New players expected to be in on the opening kick-off for the first time include Earnest Penland, guard and Leon Frye, tackle. Others on the squad include David Patrick, Don

Olinger, Dick Greer, Charles Frye, Mac Tolbert, Noel Lamie, Bobby Brickley, Jerry Smith. Dunham is being assisted by J. F. Crabtree in his coaching duties.

Last year the Steers had an imposing record of five wins and four losses, and they will be out to do better this season.

The Marion Scarlet Hurricane will come on the field with a new coach, George Tepo, who is sure to be out for blood this year. Bob Coulthard is Tepo's assistant as well as Carl Benhase. The manager of the team will be Bill Naff.

Returning lettermen who will be on the starting lineup are Jerry Hounshell, left end; Bobby Lincoln, right tackle; Bobby Eller, left tackle; Perry Catron, quarterback.

New players who will be playing on the first string are Don Bales, right end; Bill Culp, left guard; Jack Lindsey, right guard; Eugene Copenhaver, center; Alvin Crowder, halfback; Denver Osborne, fullback; and Ben Fulton, fullback.

Substitutes for the team are Kenny Mink, left end; David Ford, right end; Wayne Guy, left tackle; G. C. Jennings, right tackle; Scott Peavler, guard; Bill McCarty, guard; Cliff Rosen, guard; Everett Odum, center; Bob Burchett, quarterback; Frank Williams, half back; Bobby Rowland, halfback; Herman Johnson, fullback; Edward Blevins, fullback; and Joe Rector, fullback.

Marion had a dismal winless season last year, but moral has picked up at the school and indications are that the Steers will be in for a rough time Friday night.

Chilhowie - Meadowview
The Chilhowie Warriors will play the Meadowview football team in a home game Saturday, September 3. The coach

of the Warriors is Herbert McReynolds.

The starting lineup for the Warriors is Clabon Pickle, left end; Tyler Pruitt, left tackle; Kenneth Blevins, left guard; Harold Billings, center; Joe Dickerson, right guard; Cecil Sturgill, right tackle; Don Haga, right end; Jamie Sheets, quarterback; Junior Sturgill, left halfback; Don Love, right halfback; and Harold Spear or Jerry Odum, fullback.

Saltville - Pennington Gap
Saltville will play its first game of the season this Friday with Pennington Gap in a home game. This should be an impressive game as the Shakers will be out for their 19th straight record breaking championship.

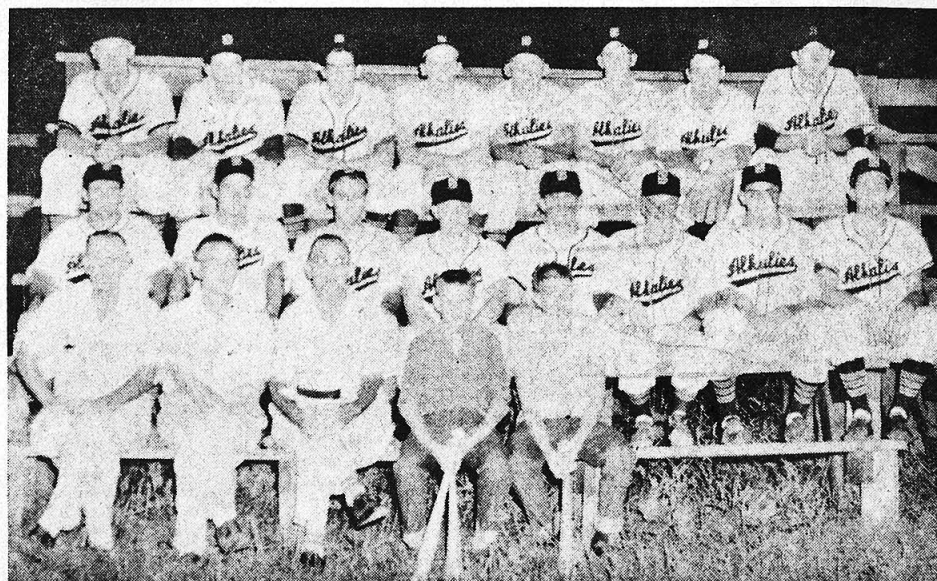

George "Jesse" James, spirited coach of Saltville, has been working hard for the last two weeks preparing his team for this first game of the season. The game speculators predict that the odds are heavily in favor of Saltville.

Returning lettermen who will powerhouse the team are James Burgess, tackle; Bobby Booth, halfback and co-captain; James Clapp, tackle; Doug Cannon, fullback; Robert Duncan, end; Johnny Davidson, guard; Bob Eastridge, co-captain and guard; Sonny Wall, tackle; and Jim Whitley, end.

The two new players who will complete the starting lineup are Carlos Allison, quarterback, and Junior Campbell, halfback.

Substitutes for the team are Braxton Crawford, tackle; Craig Barrow, quarterback; G. R. Cannon, end; Roy Coe, tackle; Ronnie Coulthard, halfback; Myrl Dunham, end; Bobby Grace, halfback; L. T. Olinger, end; Charles Routh, end; Troy Rector, guard; Charles Teague, guard; Ed Terry, tackle; Ronnie Wall, center; Joe Willis, fullback; Jerry Willis, quarterback; and Jimmy Wright, end.

The Shakers will come on the field in maroon and gray uniforms.

SHAUGHNESSY WINNERS — The Saltville Alkalies were winners of the Shaughnessy playoffs after completion of their game with the Abingdon Blues last Friday night. Pictured are first row, left to right, Jack Diggs, business manager, Luke Campbell, announcer, Charles Catron, official score keeper, Chester Poore and Craig Barrow, bat boys. Second row Joe Payne, outfielder,

Chub Arnold, team captain, Kelly Osborne, second baseman, Ben Valley, second baseman Bob Angel, pitcher, Harold Stout, pitcher, and Bill Patterson, shortstop. Third row Mike Flaatin, pitcher, Tom Hyman, catcher, Clyde Allison, outfielder, Willis Oakes, outfielder, Bill Anderson, first baseman, Harold Arnold outfielder, Joe Penland, pitcher, and Joe Shipley, outfielder.

ment and medalist and champion in the 1954 tournament, will again be present for the tournament this year.

Aulick Burke, champion in the 1953 tournament, will also be present again this year.

Ed Ellison, the runner-up in the 1954 tournament, will be back plugging for the championship again this year.

A number of golfers from the Lonesome Pine Club of Big Stone Gap and Norton are expected to participate in the tournament at Marion.

Some of the better players expected to participate from Marion are Bill Rouse, Stuart Ellis, Bill Bishop and Kirk Lyngstad.

From Saltville there will be such players as Bonner DeBord and W. E. Rice.

Pre-Game Tickets To Be on Sale For Friday's Game

Marion High School offices will be open from 1 until 3 o'clock Friday afternoon to sell student tickets for the Marion-Rich Valley football game Friday night, school officials announced this week.

"Due to the fact that students cannot buy tickets at their respective schools, we have decided to offer tickets during these special hours," officials stated. "Tickets bought before the game will cost 30c, costing 50c at the gate."

High school girls this week also will be selling adult tickets in the business section of town. These tickets are being sold in order to facilitate getting into the stadium without a last minute gate jam.

Those who buy tickets in town can pass directly through the gates without having to line up at the box office to buy tickets.

Labor Day Speech By AF of L Head Scheduled Monday

George Meaney, president of the AF of L, will give a 10 minute recorded speech over Radio Station WMEV of Marion at 12:35 o'clock Monday, labor officials announced this week.

**Rich Valley Fair
Visitors Treated
To New Attraction**

Visitors to the Rich Valley Fair were treated to a new attraction this year — a traffic light installed at the one-way bridge leading to the school and fairgrounds.

Traffic over this bridge each fair week is terrific, causing more headaches than all other traffic in the area throughout the remainder of the year.

State Trooper S. M. Norris this year decided that something had to be done. Saltville town officials loaned him the light. It was installed so that it could be controlled by officers watching traffic as it piled up at the parking lot.

"We soon had the folks educated to the fact that there was a traffic light working at this point, and traffic was moved much faster than usual," Norris said. "It was a great convenience to the driving public and officers trying to keep traffic moving as much as possible. The Saltville town officials really helped us out in the jam."

**Five High Herds
For August Are
Listed by Eller**

The five high herd in butterfat production for August in the Smyth Dairy Herd Improvement Association were J. T. Wilkinson's mixed herd of 29 cows, two dry, an average of 39.5 pounds butterfat and 963 pounds milk; James R. Snavely's Jersey Holstein 14 cow herd, none dry, 39.3 pounds butterfat and 812 pounds milk; Roy E. Groseclose's 29 cow grade Guernseys, six dry, 37.6 pounds butterfat and 778 pounds milk; J. Ralph Stone's grade and registered Jersey herd of 33 cows, three dry, 36.6 pounds butterfat and 708 pounds milk; and Richardson Brothers' 28 cow herd of grade Guernseys and Holsteins, four dry, 35.0 pounds butterfat and 857 pounds milk.

High cow in butterfat was a grade Guernsey owned by Roy E. Groseclose, which averaged 78.5 pounds butterfat for the month.

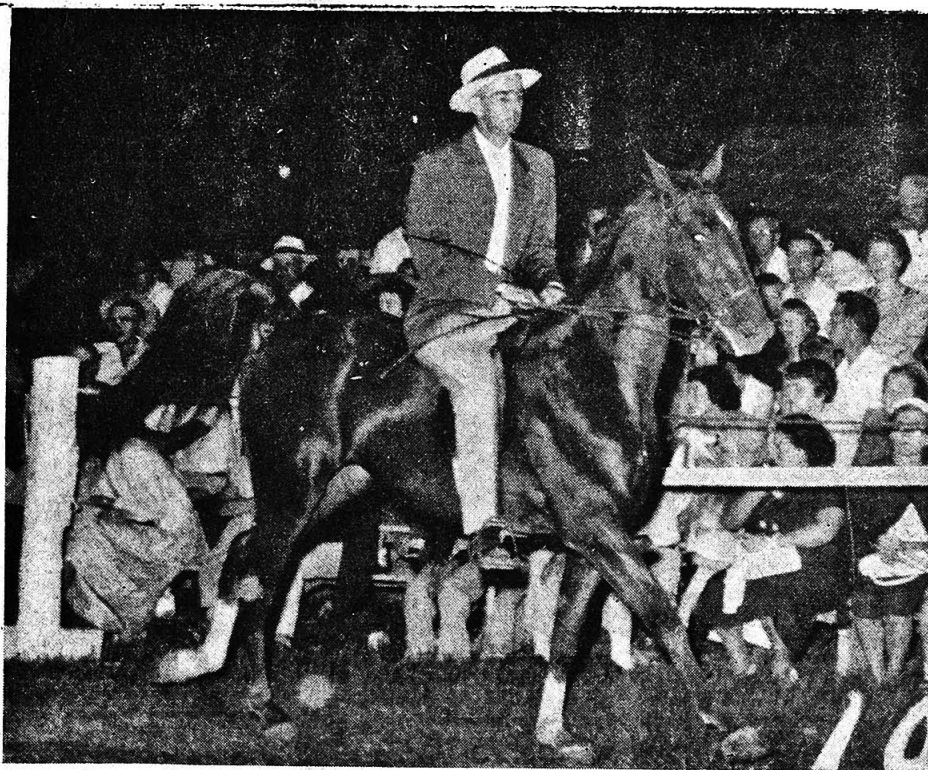

Southwestern State Hospital had the high sow in Milk production, a registered Holstein, which averaged 60.3 pounds milk per day.

Herds with cows making 60 pounds butterfat or over were those owned by Southwestern State Hospital, four; Roy E. Groseclose, six; George D. Groseclose, one; T. K. McKee and Son, three; Richardson Brothers, two; James R. Snavely, one; J. T. Wilkinson, four; Sam L. Wilkinson, one.

Average for the Association's 648 cows, 140 dry, was 26.8 pounds butterfat and 606 pounds milk.

**COPPERHEAD BITES
THE DUST AFTER
BATTLE WITH BOYS**

Two youngsters of Marion came out on the winning side with a copperhead snake Monday morning on Scratch Gravel. The two boys, Harry Carrico, 15, and Paul McKinnon, discovered the 30 inch reptile, moved in, with sticks and came out the winner. These are known facts — they had the snake downtown, the bloody and beaten body being carried around in a sack, not too long after the victory.

G. S. Buchanan puts his mount through its paces.

Elderly Man Hits Grandson on Head With Stove Wood

A frequently recurring disturbance at the Jerry Smith home in Marion had court baffled Monday.

Jerry, an elderly man, has been in trouble with his wife, daughter and grandchildren a number of times. Monday he was in court on charges of hitting his 11 year old grandson in the head with a stick of wood.

There seemed to be other developments in the case, however. Jerry was whammed on the head with rocks, sticks, water glasses and other missiles by his grandchildren, who chased him away from home

and sent him scurrying to officers.

It all started last Saturday. The mother of the children, who live across the street, was away at work. The children got into a scrap, one hitting the other with a chair. Then they took off for grandmother, who defended the children against her husband in court Monday.

"They were running for me and everything would have been all right if he (Jerry) hadn't stepped in," she said. "He let out a big oath and said that he had been waiting for this chance for a long time, grabbed the stick of stove wood and hit the boy over the head. All the children turned on him then. He is always causing trouble, beating on us."

Jerry's wife also got hit on the arm by her husband in the melee.

"He never did like me and always is trying to beat me," the grandson said. "I didn't hit him with rocks and the glasses until after he had hit me."

"They came running into my house and tearing things up," Jerry said. "I tried to stop them. The boy hit at me with a hoe. The girls were throwing rocks and glasses at me. I had to defend myself. They ran me away from my own home, chasing me down the street." Jerry had a slight cut on his arm a cut finger and several bruises. He claims that the family is all against him, instead of his being against his family.

"This thing has been going on up there for years," Judge W. V. Birchfield told the group. "It's got to stop before somebody gets hurt." He turned the case over to the Welfare Department for a complete investigation before settling the case.

One Little Mistake Keeps Piling Up On Wytheville Man

A young Wytheville man who got into just a little bit of trouble wound up in plenty of hot water Monday in Trial Justice Court.

Frank P. Allison was fined \$10 and costs and given 30 days on charges of failure to appear on summons, \$25 and costs on charges of resisting arrest and \$5 and costs on charges of being drunk and disorderly in public. He appealed.

It all started back July 5. Grover Anderson, manager of Hungry Mother Park, told court that Allison and a couple of his friends were creating a disturbance in the camping area at the park, singing, blowing an automobile horn and talking in a loud manner after midnight. He said that he went down three times trying to keep them quiet.

Finally, Mr. Anderson stated it was necessary to arrest the trio. The other two boys were in court on the proper day. Allison, however, took off when the arrest attempt was made and then ignored a summons to appear for trial.

Monday in court he stated that he didn't have any money to get back to Marion on the day of the trial and that he took off when arrested as he did not want his family to know about the trouble. He said that he brought the other two young men to their tent late that night tried to keep them quiet and touched his horn when he was reaching for the ignition switch to start his motor and leave.

"If you had only done something to clear up the matter, rather than leave an arresting officer and then completely ignore a summons, you probably would have been in just a little trouble," Judge W. V. Birchfield told the young man. "Instead, you just conveniently forgot about the matter, hoping we would."

CHECK FORGERY CASE IS CONTINUED UNTIL SATURDAY, SEPT. 10

Charges by one brother against another of stealing a \$27 check and forging his name on it were continued Monday in Trial Justice Court until Saturday, Sept. 10.

Fred Cassell is charged with taking a check of Richard Cassell's from the postoffice and forging his brother's name on it.

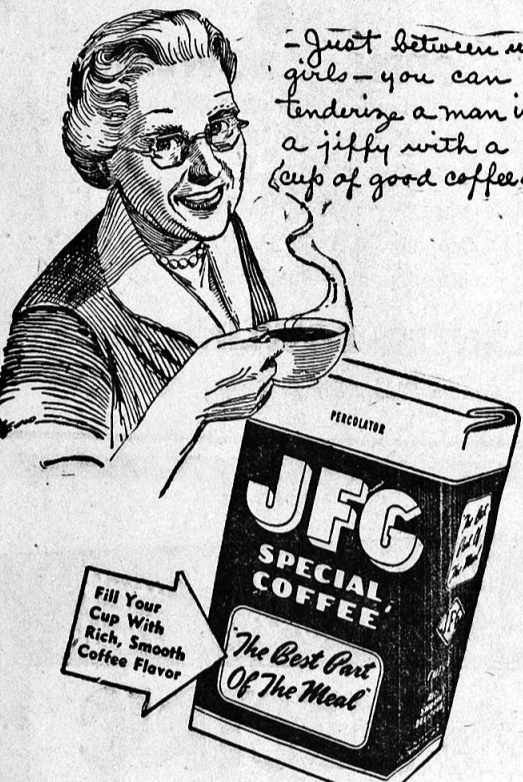

Fred said that he got a letter for his brother and other family mail from the postoffice. But he disclaims all knowledge of when it was cashed and by whom.

Richard claims that his brother cashed the check after forging his name. The check, from an insurance company, was not available in court Monday.

Monday in court he stated that he didn't have any money to get back to Marion on the day of the trial and that he took off when arrested as he did not want his family to know about the trouble. He said that he brought the other two young men to their tent late that night tried to keep them quiet and touched his horn when he was reaching for the ignition switch to start his motor and leave.

"If you had only done something to clear up the matter, rather than leave an arresting officer and then completely ignore a summons, you probably would have been in just a little trouble," Judge W. V. Birchfield told the young man. "Instead, you just conveniently forgot about the matter, hoping we would."

Hospitalization Enrollment Drive Opens Monday

A campaign in Smyth County with headquarters in Marion to introduce the Union Banker plan in this area is being conducted by W. B. Stadler of Roanoke, representing the Union Bankers Insurance Co. Union Bankers is a voluntary community hospitalization, medical and surgical plan offering coverage for either individuals or groups, said Mr. Stadler.

"The Union Bankers country enrollment plan is highly recommended in principle by the American Medical Association. It provides prepaid medical care in emergencies and always by the doctor of one's choice. It is good in any hospital and pays full benefits of all ages. This plan offers excellent medical protection at a price that every family can afford. Union Bankers is the only hospital plan that holds a Certificate of Merit from Dunne's International Insurance Reporting Agency.

"High tribute is paid to the value of hospital insurance by many leaders in the medical profession throughout the state. Because of insurance of this kind, hundreds of people in Smyth County will be able to get good medical treatment at home. Doctors, hospitals, and others serving the sick have been paid for their services, and this has contributed to a higher standard of medical service than is found in many communities of similar size. It carries a particular appeal to elderly people in that applications are accepted 'regardless of age.' Union Bankers' Insurance Co. is licensed by the State of Virginia. Mr. Stadler said that this campaign is conducted by representatives of the highest caliber who have been specially selected for this type of work." (Adv.)

ONE CASE CLEARED IN COURT SATURDAY

Only one case was cleared from the docket in Saturday's Trial Justice Court, with several held pending, due to activity in Circuit Court.

A 15 year old boy was fined \$50 and sentenced to 12 months in a correctional institution on charges of theft of a bicycle.

The youngster, who has been in trouble several times, denied the theft, but a companion told court that the youth took the bicycle in Marion, hiding it in some bushes after breaking the pedal.

Eastern Star Grand Visitation Is Held in Marion Temple Saturday

Representatives from 22 Eastern Star Chapters in Virginia, North Carolina and West Virginia gathered in Marion last Saturday evening to honor the worthy grand matron, Mrs. Minnie Menzies of Hopewell, when she made her official visit to Marion Chapter No. 72 and Saltville Chapter No. 151 at the Masonic Temple in Marion.

At 6 o'clock a banquet was held at Birbon Hall, with Dr. R. H. Harrington, worthy patron of Marion chapter, acting as toastmaster. Mrs. Ruth Harrington, worthy matron of Marion chapter, extended a welcome to the Eastern Star members present. Mrs. Maxine Henderson, worthy matron of Saltville chapter, entertained with several vocal selections, accompanied by Mrs. Hildred Davis at the piano. Mrs. Lucille Fulton, chaplain of Marion chapter, gave the invocation.

After the banquet, the special called meeting convened at the Masonic Temple, with the Marion chapter officers opening the chapter. During the meeting, the Saltville chapter officers assumed their stations and Mrs. Maxine Henderson, worthy matron, and Allen Frye, worthy patron, were in charge.

Mrs. Menzies, the worthy grand matron, gave an address on the duties and responsibilities of Eastern Star membership. She also spoke about the special project for all Virginia Eastern Star chapters this year which is the endowment fund for the Eastern Star Home in Richmond and is dedicated to a memorial to the deceased past grand patron, Leonard K. Baber, who was so interested in its welfare and who served in the building and maintaining

of this Eastern Star guest home.

Other guests who spoke during the evening were Miss Louise Beale of Richmond, past grand matron and grand secretary; Eugene M. Bane of Grundy, past grand patron, and Julian D. White of Wytheville, past grand patron. Miss Alma Steeger of Richmond, who is serving as grand Ruth, Mrs. Carrie Weatherly of Big Stone Gap, who is serving as grand Electa and Maynard Turner of Bluefield, serving as grand sentinel, were also present, as were a large number of state committee members and grand representatives to other grand jurisdictions.

At the conclusion of the meeting, refreshments were served in the dining hall of the temple. Among the Virginia chapters represented were Galax, Independence, St. Paul, Hopewell, Norton, Bluefield, Richmond, Martinsville, Bristol, Grundy, Wytheville, Danville, Appalachia and Gate City.

Registration Date For College Music Lessons Is Given

The Marion College Music Department announces that registration for music lessons will take place Saturday, Sept. 10, beginning at 9 a. m.

Lessons in piano, voice and organ will again be offered. Former students will be receiving advance registration cards in the mail. They will be asked to return these to the college with the information requested. The music faculty stresses that the return of these cards will greatly facilitate completing of lesson schedules. It will not be necessary for former students, who mail in their advance registration cards, to appear in person on registration day, college officials have stated.

Buchanan Family Slates Reunion At State Park

Ben K. Buchanan, Meadowview, has announced that the descendants of James Buchanan and Samuel Buchanan, brothers, will hold a reunion at Hungry Mother State Park, Marion, Sunday.

At 11:00 a. m. there will be a religious service led by Dr. Foye Gibson, president of Emory and Henry College. Following the religious service tables will be arranged where a basket lunch brought by those attending may be spread.

Mr. Buchanan expressed the hope that as many of the family as possible would be present. He stated that the two brothers emigrated from Ireland to Pennsylvania at or before the year 1702 and moved to Augusta County about 1745. James Buchanan remained in Augusta County. Samuel Buchanan moved to Washington County, and settled between the Middle and South Forks of Holston River.

Mr. Buchanan further stated that his cousin, John Blake, an attorney of Abingdon, who has made an extensive study of the Buchanan family genealogy plans to be present at the reunion with the data he has to permit those interested to climb about in the family tree.

Social Security Disability Freeze Program Explained

"Our office has been receiving an increasing number of inquiries concerning the disability freeze program," S. Roger Brown, manager of the Bristol District Office of the Social Security Administration, said this week.

"There seems to be a misunderstanding, at least among some of the people, regarding this program. Many people are under the impression that cash benefits are paid disabled people who have not reached age 65. This is not true. Benefit payments under the Social Security Act, as it stands at the present time, are made only to individuals when they have reached 65 and to the survivors of deceased persons. Of course, when an individual retires at age 65 or later, in addition to benefits for himself, there are also monthly benefits to his wife and children. But the disability freeze program as such does not pay any cash benefits."

A person under age 65 who is eligible to have his benefit frozen on account of a disability will not receive any cash payments. He will however, find that the amount payable to him at age 65, or to his family in case of his death may, in some cases, be considerably larger due to the freeze provisions.

"When it is found that an individual is eligible for a disability freeze, the Social Security Administration will compute his benefit at the point where he became disabled. The fact that he has no earnings from that point up to age 65 or death will not affect his benefit rate. That period of time will be ignored in determining his benefit. He will be paid what he was entitled to receive when he became disabled."

This provision in the law has already enabled some people to receive an increase in their benefits. This applies to those persons who may have attained age 65 sometime ago but prior to that they were under a disability which rendered them unable to engage in any substantial, gainful employment. Upon meeting the requirements under the law and filing application for the freeze, the Social Security Administration recomputed their benefit and they received their first increase effective with July 1953. That was the first month for which an increase on account of disability could be paid under the 1952 amendments to the Social Security Act, according to Mr. Brown.

"We will be glad to assist any disabled person who feels that he is entitled to a disability freeze," Mr. Brown said. "Our office has been established solely for the convenience of those persons who live within the eight-county area which we service. Anyone who is interested in receiving more information about this program should contact our office and we will be very happy to give them any assistance necessary for completing their claim," Mr. Brown completed.

Rotary Official Speaks Friday At Marion Meeting

Rotary Clubs in 92 countries and geographical regions throughout the world are united in an endeavor to promote international understanding, good will and peace. Dr. Percy H. Warren of Harrisonburg, governor of District 275 of Rotary International, said last Friday night at a meeting of

the Rotary Club of Marion.

In addition to the activities of Rotary's 8,700 clubs within their own communities to promote this objective, Dr. Warren explained, Rotary International has spent more than \$1,750,000 in recent years through its program of student fellowship, which enable outstanding college graduates to study for one year in countries other than their own, as ambassadors of good will.

Since 1947, when this program was established, 709 Rotary Fellowships have been awarded to students in 57 countries.

Foundation fellows who have been selected from the 275th District are: Louis Barksdale of Waynesboro, James Robertson of Roanoke, J. Alex Haller of Pulaski and Roy Herrenkohl, Jr., of Roanoke. Herrenkohl will address the Marion Club on Sept. 8 concerning his experiences during the past

year abroad. "With fellowship and service to others as its keynote, Rotary provides a common ground for 414,000 business and professional executives throughout the world, regardless of differing nationalities or political or religious beliefs," the Rotary District governor emphasized.

"In addition to the promotion of international under-

standing," Dr. Warren continued. "special emphasis is being placed by Rotary Clubs this year on activities of their own communities which will furnish leadership in youth programs, raise standards in businesses and professions, promote traffic safety, develop good citizenship and build better rural-urban relationships."

ANOTHER LEFT TURN WRECK OCCURS

Another left turn accident occurred Sunday afternoon on Lee Highway, two pick-up trucks crashing at the Nicks Creek Rd. near Atkins. Teddy Garnett Thomas of Rt. 1, Marion, was attempting to make a left turn at that point, according to State

Trooper E. V. Hinton, investigator.

A truck driven by Enoch Horne, also Rt. 1, Marion, crashed into the rear of the Thomas truck. Thula L. Thomas, 30, received slight injuries. Damage was estimated at between \$300 and \$400. Reckless driving charges were written against both drivers by the trooper.

Marion Has Clean Slate of Drunken Driving for July

No news in this case was good news. Not a single person was arrested in Marion during the month of July on drunken driving charges, according to the monthly mayor's report.

This, according to officers, is something of a record in recent years. They couldn't remember a similar blank month.

Total fines collected during the month also were way down. Fines totaled only \$577.75. And \$99.75 of this was from an old case of drunken driving charges which had been appealed and not paid until settled. The offense occurred in April.

Following is a breakdown of cases appearing on the docket:

Three cases of reckless driving, two fined \$25 each, one fined \$15; two cases of no operators license, \$10 each; two cases of improper passing, one fined \$10, one fined \$5; two cases of double parking, \$5 each; 13 cases of improper parking, \$2 each; 128 cases of overtime parking, \$1 each.

Churchmen Go To Aid of Youth Who Bothered Them

The preacher and church goers in Cardwell Town united in Trial Justice Court Wednesday to help a young man who had disturbed their services.

Alexander Chapman was fined \$10 and costs, fine suspended, on charges of disturbing public worship and drunkenness.

Young Chapman, a war veteran, was alleged to have created a disturbance Monday night, Aug. 22, at a tent meeting in the community.

State Trooper E. V. Hinton Jr. told court he was called to the area about 10 p. m., the young man having left when he arrived. He said Chapman has been outside the tent using loud and abusive language, according to those who reported the incident. The officer stated that Chapman, according to the report, was during the preacher to come out of the tent and pushed an elderly man.

Hinton told court it was reported to him that the young

man returned to the tent Wednesday night.

Then a Mr. Hughes and the preacher, the Rev. Frank Thompson, came into the picture.

Mr. Hughes stated he went outside when the disturbance occurred, talking to Chapman.

"This boy's not mean, judge," he told court. "He's a Korean veteran, with no parents, and needs help. We are trying to help him to the best of our ability."

The Rev. Mr. Thompson then stated he had talked with Chapman and had forgiven him for his trouble creating. "Saturday night he was converted and joined us. I believe he will be all right now," the minister said.

Carl Gullion was fined \$10 and costs and given six months each on charges of taking a .30 calibre rifle from his father, F. F. Gullion, and a pocketbook containing \$21 from Geneva Gullion.

A fine of \$10 and costs was levied in a drunkenness case and a bond of \$10 and costs was forfeited on a speeding charge.

Is the Rash of Measles Infectious?

No, the disease is apparently spread by direct contact with eye and nose secretions of infected patients, particularly before their skin has developed a rash. To avoid complications of a far more serious nature than measles, the patient must be kept quiet.

Cedar Springs

MRS. M. E. MYERS

Cedar Springs, Aug. 22 — The hurricane hit Cedar Springs with a bang. There was a terrific rain storm but the wind was not so fierce as when Hazel passed through.

The Rural Retreat Garden Club met at the home of Frank Brown Aug. 11. The day was beautiful, but suddenly dark clouds gathered. Some got home before the storm hit, but others were caught in it.

Mrs. Oscar Buchanan said she could not see to drive. She had to stop and wait for the storm to blow over.

Mr. and Mrs. Irvin Nierman of Baltimore arrived Aug. 13 for a 12 day visit with her aunt, Mrs. M. E. Myers. They said in driving here they were greatly inconvenienced by slow driving through the storm. Gumboots and rain coats were still soaked when they arrived here.

People feared that rain would ruin the fairs at Rural Retreat and Rye Valley. Not a drop. Everything was lovely as far as weather was concerned.

The two fairs were on the same days. The exhibits were elaborate at both places. It was interesting to make comparison of various entries.

At Rural Retreat more fruits and vegetables were displayed. There were bushels of peaches and plums as well as five of a kind on a plate.

At Rural Retreat there were egg plants as big as a quart cup. At Rye Valley there were beets as large as a half gallon cup.

The flowers even were different. At Rural Retreat nearly everything was roses. At Sugar Grove the principal display was gladiolus and the most glorious house plants, potted, that I ever saw.

Of course the carnival and horse show and the Wytheville motorcade with about 50 gifts given away by the Wytheville merchants drew a huge crowd at Rural Retreat.

The cakes were better displayed at Sugar Grove. They were on big tables. At Rural Retreat they were shown in wire enclosed cabinets.

One of the biggest winners was Mrs. A. D. Buck, with 56 ribbons on various kinds of canned goods.

Glen Fielder was taken to a Marion hospital recently for a general run down condition. Aug. 21 Mrs. Glen Fielder's sister, Mrs. Floyd Wright, passed away at her home in Salem.

Mrs. Ward Hilton suffered a severe heart attack Aug. 19. Mr. and Mrs. Fuelin West and daughter, Sandra, of Franklin, Tenn., arrived Aug. 20 for a stay of two days.

They were quite surprised to find beds freshly made with linens belonging to neighbors, food brought in, enough to last for a week and other little odds and ends of welcome extended made them prolong their stay with their son and brother, the Rev. Marc West, for two weeks.

They attended the Asbury picnic which was on the church lawn Aug. 21. There was group singing in the afternoon by about half a dozen churches. Every one seemed very happy to have these visitors present. It is just regular country singing and playing, probably not a "trained" voice in the bunch.

Mr. and Mrs. Harvey Jones and Mrs. Arthur Blessing drove to Detroit, Mich., Aug. 21 to bring Garnet Jones, who received his discharge from the Army, home.

Mr. and Mrs. Albert Thompson entertained six of their relatives of Lenoir City, Tenn., Aug. 21.

Mr. and Mrs. James Fisher and three children and Mrs. Haggard of Knoxville, Tenn., were week end guests of the former's mother, Mrs. Ellis Fisher, and family recently.

Mr. and Mrs. Beinhrech of Upper Sandusky, O., have been visiting in the homes of the latter's sisters, Mrs. Gilbert Fisher and Mrs. Ray Fisher.

A revival meeting started Aug. 21 at Groseclose Chapel, with a sermon by the Rev. Marc West. He is being assisted the Rev. Argyll Johnson.

Mr. and Mrs. Irvin Nierman, Mrs. M. E. Myers and Miss Hattie Fisher were dinner guests Aug. 21 of Mr. and Mrs. Maurice Neel, Fisher.
