Keen Eyes Land New York Criminal

The keen eyes of State Patrolman Ira Ratliff and Jim Richardson on Tuesday night halted the career of a New York criminal much sought after by authorities in his home state.

Ira and Jim were standing at a filling station when a car pulled in. They noticed that the tags were wired on and Ira launched an investigation which resulted in the arrest of William Sharrock, 18, and the return to her parents of Ruth Anderson, 15, who disappeared from her home at Baldwin, Long Island N. Y., on Oct. 6th.

Ira called New York police, gave them Sharrock's name and a description of the car, and quickly learned that Sharrock was wanted there for larceny of the car, grand larceny, abduction of the 15-year-old girl, and parol jumping.

On Wednesday Sharrock waived extradition and Thursday morning New York police phoned that they were leaving immediately in a plane to bring back Sharrock and the missing car.

In the meantime, a few hours after the youthful pair had been gathered in, A. Anderson, middle-aged father of the girl, reached town haggard and worn after 27 hours at the wheel of his car in close pursuit of the fleeing couple.

She wired for money at point east of here and Anderson had been hot on the trail ever since.

Anderson and his daughter, she rather worn and scared and without some of the mature-beyond-her-years effect, went before Federal Commissioner Ralph L. Lincoln where Mr. Anderson asked that a warrant be prepared charging Sharrock with violation of the "white slave" act.

It was prepared when Miss Anderson threw a monkey wrench by stoutly denying that the two had had sexual intercourse at any time during the trip.

"We were going to get married when we got back to New York," she said.

"Anyways, pop, you promised that you wouldn't charge him with that," Anderson Sr., after considering out loud that at least four charges awaited his would-be son-in-law in New York, relented and withdrew the warrant.

He then departed with his daughter.

Old Rivals, Marion and Chilhowie, Meet Friday

Old rivals on the gridiron—Marion and Chilhowie—whose rivalry is always marked by hard fought games and mutual good feeling, meet this Friday, the 18th, on Wright field in Marion at 3:30 p. m.

Chilhowie has a good team this year and the Hurricane, after a doleful start, is picking up velocity. It should be a close, hard fought game, with the boys from the west end of the county anxious to grab what looks like a pretty good chance to score one of their infrequent victories against the bigger school.

Last of October Deadline For Auto Stickers

"The last of October is the deadline for auto inspection stickers," State Officer Ratliff has announced. "Anyone found driving an auto on or after November 1st, and without a sticker showing that the car has been Officially Adjusted and inspected will be liable to arrest and fine. All motorists are asked please to cooperate with us in this."

Rotary Dines At Atkins

Marion's Rotary Club enjoyed a grand dinner Tuesday night, the 15th, at Atkins High School, the meal being served by the ladies of the Methodist church there. An informal program was given with many committee reports and assignments. Bob Baird brought his brother as guest and Carl Honeycutt brought another young preacher.

Programs and Premiums Promise Added Interest in Atkins Community Fair

The Atkins Community Fair program, commencing Friday night, Oct. 18, and extending through until 5:00 p. m. Saturday, will bring events of interest to everyone in the community, and indications are that the lists of entries will be fuller and attendance more generous than at any time in the past.

Presentation of the play "Mr. Bob" at 8:00 p. m. Friday will be the first item of interest. Intensive practice by the cast indicates that a smoothly finished production may be promised. Mrs. McDonald's Junior Rhythm Orchestra and Champion primary singing group will add much to the enjoyment of the occasion. Admission has been set at the low rates of 15c each or two for 25c for adults, and 10c each or two for 15c for children so that it should be possible for nearly everyone in the community to attend and enjoy the program.

Entries in all classes will be accepted throughout the day Friday and until 7:30 Friday night. Perishable products and those entries which cannot be brought in Friday will be accepted until judging of products commences at 10 a. m. Saturday. At that time agricultural products, Domestic Science products, poultry and pet stock, draft horses and babies will be brought before the judges for awarding of ribbons and premiums. At the same time a crops judging contest for representatives of the chapters making up the Smyth-Wythe FFA Federation will be staged under the supervision of C. C. Tucker, Instructor of Vocational Agriculture at Independence.

At 11:30 a. m. an athletic program will be held. (Continued On Page Five)

Mr. R. L. Greear

Robert Lee Greear, 66, died Saturday, October 12th, at his home in Troutdale, Va. He was born and reared at Grant, Grayson County, Va. He was very prominent in the business development of that section, and was engaged in the lumber industry all his life, having been the pioneer in bringing capital in to Southwest Virginia for the purchase and operation of large timber tracts. About 1903, he helped build out from Marion, Va., the first railroad into Grayson County, and was connected with the starting and operation of the bandmill at Fairwood. Later he engaged for years in the lumber business for himself at Troutdale, including the operation of a large furniture manufacturing plant, and was largely responsible for the building and development of this once prosperous town. He was closely identified with the social and civic development of this section, having contributed largely of his means in building the high school, and churches. He gave employment to hundreds who testify to his fairness and generosity.

Surviving are his widow and following children: Mrs. Blanche M. Paisley, Roanoke, Va.; J. B. Greear, Bluefield, W. Va.; H. B. Greear, Atlanta, Ga.; A. M. Greear, Roanoke, Va.; Mrs. Edward A. Scott, Spruce Pine, N. C.; J. R. Greear, Troutdale, Va.; Mrs. J. C. Senter, Austell, Ga.; J. P. Greear, Luray, Va.; Miss Lattie Lee Greear, Robert and Walter Greear, Troutdale, Va.; and the following brothers and sisters: W. C. Greear, Grassy Creek, N. C.; J. M. Greear, Troutdale, Va.; J. F. Greear, Helen, Ga.; and Mrs. Chas. Ray, West Jefferson, N. C.

Funeral services were conducted at the First Baptist church at 4 o'clock Sunday afternoon by the Rev. L. C. Ross, of Chilhowie, Va., assisted by Rev. W. A. Hash, Kindrick, Va.; and Rev. Leftwich, Grant, Va. Interment was made at Troutdale.

Active pallbearers were: J. A. Wright, W. F. Wright, W. R. Pennington, J. W. Tolliver, A. W. Stamper, J. W. Dixon. Honorary pallbearers were: J. E. and J. W. Thomas, Marion Va.; Dr. R. H. Harrington, Lester Greer, Carl Phipps, W. W. Turner, and G. W. Carson, Grant, Va.; W. B. P. Greer, O. M. Thomas and K. C. Hash, Grant, Va.; J. W. Haines, Grassy Creek, N. C.; J. S. Pennington, John Brooks, J. F. McGrady, J. W. Pierce, Frank Richardson and Wythe Woods.

Ways and Means Develop Fast With Kiwanis

Prexy Doc Graybeal threw a question of finances square into the collective laps of the biggest Marion Kiwanis meeting yet Tuesday night and five minutes later had the same question, pretty well solved, heaved right back at him.

Doc explained that about 300 bucks is necessary to complete the underprivileged children's work for the year and clean up all obligations incurred in the work. He proposed a canvas of membership. Harley Davidson, former member new Paramount's fastest talking salesman, was present and immediately hopped up with an offer. "Paramount," said Harley, "will do its share. Let's have a benefit show that doesn't cost anything for the picture."

"Paramount will give you, no charge, 'The Virginia Judge,' just made. It's about a famous judge at Richmond and should be of interest to all Virginians."

Spud Query hopped up and said that Lincoln Theatre would make no charge above bare expenses for showing the picture. Ye editor said the print shop would contribute all the printing and advertising necessary. Major Glenn Anderson proposed a special block of reserved seats for those who will give big for tickets. Within five minutes plans were formed for a move which, it is hoped, will put the finances for the kids in good shape.

The club has been growing so fast lately that, although Boots Walker had added four feet to the length of the table, there still wasn't room for all. Three new members came in at the meeting, Rev. G. A. Wilson, Walter Wyatt, Boots Walker. Walter distinguished himself by bringing in, during the meeting, Raymond Morris.

Guests included Mr. Kennedy, representing Budweiser, Harley, Captain Conrace and Doc R. H. Harrington of Sugar Grove. Mr. Kennedy and Beattie Gwyn had a fine treat, Budweiser for all and plenty of it.

Bill Wolfe reported on the trip he and Mayor Wilson Scott, and their wives, took to Danville last week as delegates to the capital district meeting of Kiwanis.

John D. Lincoln reported on the success of the second Good Will Tour.

Doc D. C. Boatwright offered a suggestion, which he said originated with Major N. L. Adams, that the town close Church and Strother streets to auto traffic near the grammar school at intermission times because the kids at present haven't room to play. The suggestion was heartily endorsed by the club and turned over to Mayor Scott for action.

Change In Dove Season

For those few of our readers who burn up good shells shooting at the frittering dove, we wish to announce that Miles Newman, game Warden, has a bulletin from the Commission of Game and Inland Fisheries that the dove season in Virginia will close this year on December 15th, instead of—as previously announced—Jan. 5th. The change was made to conform to federal regulations on closing season for the shot dodgers.

William Donald Buchanan

William Donald Buchanan, infant son of Mr. and Mrs. W. B. Buchanan, died at his home on Lincoln Hill Sunday, Oct. 6, at the age of four days. Funeral services were conducted at the home Monday, Oct. 7, at 10 o'clock by the Rev. W. H. Carter and Rev. Plummer. Burial was in Thomas cemetery. Surviving are his parents, four brothers, Gilbert, Charles, Brown and Franklin, and four sisters, Annie Lee, Katherine, Helen and Arlean.

J. B. AND DEAR ST. CLAIR

The county campaign has been moving very quietly so far as the Republican candidates are concerned. They have been left alone to make the canvas as each one saw fit without publicity through flaming newspaper editorials or otherwise. The Democratic leaders are not content with the quiet personal campaign but as in past campaigns they will try, without effect, to stir up personal antagonisms by the old cry and false alarm of "boss rule." First they seem to be quite partial to one of their candidates. A double column editorial telling the dear people and the party how fortunate they are to get Blaine back on the roost after flying the coop. We don't blame Blaine much because John says: "To conduct a campaign requires funds." Is it possible that the Asylum bosses didn't come across? We have heard such talk. Well, something had to be said and done for he "is without funds." This is a pitiful wail to be made through the press in a county election; but Mr. Richardson is not destitute by any means. He is now and has been for a number of years treasurer of the Town of Marion. He collects and gets his fees on every auto license issued in Smyth County. The position is a good one and he fills it with satisfaction. We predict the voters will let him keep his present job.

The two column editorial in the News as a "Paid Political Advertisement" will not influence nor change the voters who are readers of the News. They will go to the polls and vote for Herbert Kent as they had intended to do, because he is a true man—yes, "his personal integrity is unquestioned" and unquestionable, because his valuable experience, his special fitness and high capacity have placed him in the rank of the very best clerks in the state. Go ask the Judges under whom he has served (they are all democrats) and they will tell you there is no better clerk in the state. Go ask the attorneys who practice at the Marion bar and all will sing his praise. Go ask the citizens, who daily have business in the office and they will tell you that he is efficient, accommodating and courteous to all. His financial record with the State is one hundred per cent. The state inspectors say "not a penny off." This is the record of all the present Smyth County Officers.

The people want service, they know the treatment they have had in the past. Why make a change? The voters will give the answer. But another word in reply to "The St. Clair District Editorial." How solicitous and how interested is the "Democrat" in that district which grows republican majorities! Can't we do something to prejudice the minds of St. Clair voters? Let's tell them in the columns of the "Democrat" how they are "ignored," discriminated against; tell them they are controlled by a few leaders in Marion. That will raise their ire. The loyal Republicans of St. Clair have heard such twaddle as this in many former campaigns, but it only serves to stimulate them to greater efforts and stronger loyalty.

As to discrimination ask Dr. Dave Buchanan and Burt Dickinson how long did Captain Whisler and George F. Pierce represent Smyth county in the legislature, one of the most important and honorable positions to be held in the county. It is a gross insult to the intelligent and loyal Republican voters of St. Clair to tell them that they take orders and are led by anyone when it comes to casting a free American ballot.

As long as the "Democrat" wants to insinuate that Smyth county or St. Clair Republicans are led by "boss rule" let's call on the "Democrat" to expatiate and elaborate in that wonderful flow of english in which it is so skilled and tell us all about the *Asylum Bosses*. An asylum contributor who is on the ground could no doubt furnish a three column "steamline" editorial. The dear St. Clair Republicans as well as both Republicans and Democrats all over the county would like to read such an editorial. Yes, the St. Clair voters "think for themselves" and we predict they will continue to vote to suit themselves.

Insert, we ask, "The St. Clair District" editorial in the News as a paid political advertisement; it will help the Publisher and show the St. Clair Republicans your scheme of campaigning and how easy you think they can be duped.

IN FOND REMEMBRANCE OF MRS. J. N. YOUNG

God has taken our mother
To join his angel band;
He sent our Savior to guide her
Across to his shining strand.
She lived a life of goodness,
Purity, honest and true.
She was kind to the poor and needy
She was good to the sick folks,
Mother was never too tired to help us
And lend a willing ear.
For she loved all of her children
And gave us all good cheer.
Each night there was time for the Bible
And kneeling together in prayer,
Then the singing of "Rock of Ages"
Or some other hymn so rare.
We miss her more as time goes
We cherish the memories dear.
But she is at rest with our Savior
And why should we shed a tear?
Rest on, dear Mother of gold,
Your life work is well done;
We will all join you shortly
In that land of never-setting sun

Rev. Goodwin At Episcopal Church Sunday

The Rev. Conrad Goodwin, temporarily in Wytheville, will conduct the service next Sunday morning, October 20th, at Christ church, Marion at 11 a. m. The public is cordially invited to attend.

THE ST. CLAIR DISTRICT

(From The Marion Democrat)

The republican majorities in the past elections in Smyth County have been due to the large republican vote in St. Clair Magisterial District. In fact, the republican leaders who for years have absolutely conducted the affairs of that party in this county, are so satisfied of the constancy of the republican vote from that district that they not only confine their efforts and spend their money in the other two districts, but have also denied to St. Clair for a generation any of the major political plums in the county. Although the Clerk, Sheriff, Treasurer, Commissioner of the Revenue, and other republican officers now owe their tenure of office to St. Clair's vote, yet none of these officers are from that District, and have not been for many, many years.

The absolute republican control of this county, as everyone knows, has been under the complete domination of two or three men at Marion. They issue the orders: they determine the candidates: they nominate and have appointed the deputies: and they have not only perpetuated themselves in office, but, from all indications, plan to continue so to do.

Regardless of party affiliations, this is a condition which should be stopped. Every part of the county should be entitled to as nearly equal representation as is practicable. And that part which elects these officers, has been sadly neglected—and not only neglected but ignored—and will continue to be ignored as long as St. Clair District tolerates it and makes it possible. St. Clair is an important district. Its voters are entitled to representation. Heretofore they have had no such representation, nor have they participated in the rich salaries from these offices. But, if all indications are to be believed, the time has come when one or two men at Marion can no longer dominate the voters of St. Clair. Those voters are beginning to think for themselves, and a thinking voter is a menace—and should be—to the kind of boss rule under which all county officers of any importance have for a generation been apportioned.

Girls' Hi-Y Club

Hi-Y girls have been chiefly concerned during the past few weeks with the initiation of their new members and plans for raising funds for club activities.

Seven new members have been added to the roll in addition to those elected last spring. The Hi-Y clubroom is being cleaned and put in order by the new members as a part of their initiation. The president, Madeline Copenhaver, proposed this plan, and appointed a committee to complete initiation plans.

At the last regular meeting of the Girl's Hi-Y a plan for making money was adopted. The club was divided into two groups—the Reds and the Blues. Both groups are to make money as best they can. The Blues, with Delphine McMillan as their captain, have decided to sell Christmas cards, while the Reds, led by Agnes Crockett, have not made their plans known. The side losing in the money-making contest will be required to entertain the club as the next monthly meeting.

The members of the club decided to attend church in a body one Sunday in each month throughout the year. This month the group will attend morning services at Royal Oak Presbyterian church on October 20.

Senior Class Elects Officers

Billy Groseclose, popular member of the class of '36, was elected president of the class at a called meeting of seniors last Monday morning. Other officers are Ralph Wohlford, vice-president; George Poole Killinger, secretary; and Nancy Sparks, treasurer. Miss Marigold Scott, of the high school faculty, is senior class advisor.

Senior Minstrel

Planning for the "biggest minstrel Marion high school has ever had,"

the seniors expect to stage their show the first week in December, according to an announcement made last week. The cast will be announced later.

Leaves for Blountville

Irene "Red" Burris, a member of the senior class, leaves Marion this week for Blountville, Tenn., where she will make her home. Irene came to Marion from Wytheville, and has been at Marion High School for the past three years. She has taken an active part in school life, and will be greatly missed.

New Students

Three new students were enrolled at Marion High School last week. Dorothy and Virginia Bell, daughters of Major Arthur Bell, who succeeds Major Adams as officer in charge of the OCC camps at Hungry Mother Park, came from John Marshall High School in Richmond. Dorothy is registered in the senior class and Virginia in the junior. Julian Collins, the third new-comer, comes to M. H. S. from Coeburn, Virginia. He belongs to the junior class and is on the football squad.

Senior Class Rings

Twenty-two seniors were proudly displaying their new class rings last Friday, after the second order of rings arrived. The twelve who had already gotten their class emblems in the first order several weeks ago joined in the general expression of opinion that the 1936 rings are the prettiest in the school's history.

Current Events Clubs

To make students better acquainted with current history and to stimulate interest in the affairs of the day were chosen as the aims of the current events clubs organized this term in the American History classes of the tenth grade.

Officers elected in the first section are Harold Wolfe, chairman, and Roberta Stephenson, secretary. In the second section Mary Helen Brosius was elected chairman, Delphine McMillan secretary, and Ernest Aker reporter.

Committees were appointed by the chairman at the regular meetings last Friday for the purpose of assigning topics for club discussion, and for selecting suitable names for the two clubs.

Boys' Hi-Y

Rex Wright was elected secretary of the Boys' Hi-Y Club at its first meeting of the term on Wednesday, October 8. He succeeds Harold Stone, who resigned from the office to which he was elected at the last meeting of the club before the summer holidays.

Other officers of the club are Billy Groseclose, president; George Poole Killinger, vice-president, and James Scott, treasurer.

Report Day

The first monthly reports for the term were given out last Friday. Judging from the various reactions of the student body, they were of the usual types—good, bad, and indifferent. "On the whole, rather better than usual for the first month," seems to be the prevailing faculty verdict.

Evangelistic Services At Baptist Church

Beginning Sunday and continuing for ten days, a series of evangelistic services will be held in the Marion Baptist Church. There will be a brief inspirational service each morning from 10 to 10:30 o'clock. The evening service will be at 7:30.

Dr. John L. Slaughter, pastor of Leigh Street Baptist church, Richmond, one of the largest churches in the capital city, will preach in these services. Dr. Slaughter is not a stranger to the people of Marion. He preached in a series of services in the local church some years ago and made such a profound impression that he has been invited to return on several occasions, but his engagements have been such that he could not accept until recently. He made many warm friends on his former visit, who will be glad to welcome him back. He is recognized as a preacher of outstanding power and ability, presenting his message in a manner that makes a deep and lasting impression upon his audience. In addition to his duties with his own church, Dr. Slaughter is active in the work of his denomination in the state, being the president of the Virginia Baptist Pastor's Conference.

Prof. Albert C. Hewitt, head of the voice department of Marion College, will be in charge of the song services in these meetings. Prof. Hewitt needs no introduction to the people of this section. He is a man of unusual ability in his line and under his direction the singing will be an outstanding feature of the services. In addition to the regular choir, he will be assisted by a large junior choir. The

officers and members of the church extend a most cordial invitation to everybody to attend these services.

An Old Land Grant Turns Up

A land grant issued in 1793 by the Commonwealth of Virginia, through the then governor, Henry Lee, to one Silius Main was recently found in Marion by Fire Chief Francis and Mr. H. P. Griffith.

It is printed nicely on heavy parchment and is in fine state of preservation, the smooth, even penmanship being clearly readable.

The grant was for 196 acres of land lying on the south side of the South Fork of the Holston river in what was then the County of Washington.

Announcement For Sheriff

I am a candidate for Sheriff of Smyth County in the election November 5, 1935, because I feel that, if elected, I can make the people of Smyth County a good officer.

I have had about 18 years experience dealing with and handling the public and I can truthfully say that all during that time I have never gotten anyone in trouble. My motto has always been keep people out of trouble.

If elected to the office of sheriff I pledge to the public that I shall be impartial in the administration of justice—fair and square to each and to all.

I respectfully solicit your vote and support in the approaching election.

Signed:

Announcement

TO THE VOTERS OF SMYTH COUNTY:

If elected Sheriff of Smyth County at the November election, I will maintain at all times an open Sheriff's office at the Court House in Marion, with telephone, where either myself or one of my deputies will be constantly available to calls from every part of the county. It has, at times in the past, been difficult to get in immediate touch with the Sheriff, and I believe that an office, open all the time, should be maintained.

I will also appoint competent deputies in each district and in every political subdivisions of the County, chosen for their ability, who will be also always available.

I shall also appoint as jailor a competent deputy, with positive instructions to confine his duties to the safely securing of prisoners, rather than seeking fees at the expense of the County, thus increasing the tax burden upon the people. He will also be instructed to abolish the so called "kangaroo court" which imposes upon newly committed prisoners, and under no circumstances will he be permitted to collect any amounts from prisoners, or from those paying their fines, for the benefit of the kangaroo court.

I shall discharge my duties, as provided by law, without fear or favor, in as efficient and prompt a manner as is possible.

Respectfully,
SCOTT PUGH

PROGRAMS AND PREMIUMS PROMISE ADDED INTEREST IN ATKINS COMMUNITY FAIR

(Continued From Page One)

gram under the supervision of Coach Cash will be staged. It will include the following events: high and broad jump, 50 yard and 100 yard dashes for boys, 50 yard dash and shuttle relay for girls, and a free for all greasy pole climbing event. Ribbons for first, second and third places in each event will be awarded, and suitable premiums will be given the winners.

Throughout the day visitors will be entertained at the Still the Milk and Darts stands, while lunch and refreshments may be secured from the Refreshment stand operated by the ladies of the Community League, and the Pop and Popsickle stand, operated by the FFA boys.

At 2 p. m. the Old Fiddlers' contest will once again bring before the people the cream of the musical talent of Smyth County. All the old favorites are sure to be back, and many new aggregations of folk musicians and several new individual artists will wage war with one another in strenuous effort to entertain the crowds and secure the premiums offered to winners.

Basketball games at 4:00 p. m. with the Barracks high school boys and the girls of Rural Retreat will constitute the closing event on the program. The Atkins boys, fresh from a 29 to 21 triumph over the strong Ceres high school team, are sure to put up a good scrap, while the Atkins girls, smarting under a 53 to 5 defeat at the hands of the Ceres girls, are out for vindication.

Premiums will be awarded to high winners in each Department in the Fair, and to the blue ribbon winners in those classes with three largest competition within each department. A ruling which will limit any one exhibitor to a single premium in each department, passing the premium along to the next best exhibit to avoid duplication, will permit of wider distribution of the premiums among the exhibitors, and assure greater interest. Of course any one person may win premiums in as many Departments as his entries and winnings warrant, and it is hoped that most folks will make entries throughout the Departments. The Fair Committees wish to acknowledge the following contributions to the premium lists and to solicit for the contributors continued patronage by everyone interested in the welfare of the Atkins community:

Subsistence Gardeners Again Carry Off The Honors

It has proved a rather exciting and interesting adventure to the Garden Supervisors, this fall, to assist their Gardeners in the work of selecting and displaying both the green vegetables and the canned products from their gardens at the various fairs. We have published some account of the winnings of these thrifty folks in previous issues, but, as an old Darkie expressed it, "They done screwed the cap on the climax" over at the Rich Valey Fair. Nearly half of the canned goods exhibit was the handwork of the Subsistence Gardeners, and it was of such excellent quality that they won 19 firsts, 16 seconds and seven thirds.

There are two things we would wish to call special attention to: the products of the much stressed fall gardens. There were fresh new peas, beans, roasting ears, dainty baby beets and kale, from small rich coves far up the mountain sides where the energetic house-mother had labored through the hot days that she might store up in edible form the health-giving vitamins for her growing brood.

The second thing, was the kindly interest of the "politicians" present on that occasion, cordially shaking hands with the prospective voters. They made up a nice cash prize between themselves, and donated it to the highest scoring winner. The Mathieson Alkali Stores gave as second prize a handsome canning kettle, that caused the lucky one to be the envy of all the rest. The third prize was a dozen new cans, given by interested citizens of Saltville.

Many of these gardeners had never before had the temerity to enter an exhibit, but from now on,

How Calotabs Help Nature To Throw Off a Bad Cold

Millions have found in Calotabs a most valuable aid in the treatment of colds. They take one or two tablets the first night and repeat the third or fifth night if needed. How do Calotabs help Nature throw off a cold? First, Calotabs is one of the most thorough and dependable of all intestinal eliminants, thus cleansing the intestinal tract of the germ-laden mucus and toxins.

the good ladies of Rich Valley will most successful, and the Garden excellent impetus that was given the have to look to their laurels when Supervisors gratefully express their work in the inauguration of the Subsistence Gardeners compete. sincere appreciation of the splendid program last year by Miss Grace The Garden Program has been foundation that was laid and the Eller (Mrs. Burton).

Two of the prize cans are being sent down to the head offices in Richmond for display, because of their beauty and fine quality.

From 1900 up to 1934 the leaf tobacco used for cigarettes increased from 13,084,037 lbs. to 326,093,357 lbs.; an increase of 2392%

It takes mild ripe tobacco to make a good cigarette.

During the year ending June 30, 1900, the Government collected from cigarette taxes \$3,969,191 For the year ending June 30, 1934, the same taxes were \$350,299,442 an increase of 8725% —a lot of money.

Cigarettes give a lot of pleasure to a lot of people.

More cigarettes are smoked today because more people know about them—they are better advertised. But the main reason for the increase is that they are made better—made of better tobaccos; then again the tobaccos are blended—a blend of Domestic and Turkish tobaccos.

Chesterfield is made of mild, ripe tobaccos. Everything that science knows about is used in making it a milder and better-tasting cigarette.

We believe you will enjoy them.

CARD OF THANKS

In this hour of sorrow and bereavement we desire to take this method of expressing to every one our great appreciation and sincere gratitude for the great sympathy and for so many acts of kindness extended to our family during the sickness and death of our dear daughter, Wynona, the wife of Mr. Roy R. Repass.

These tokens of neighborly love and sympathy will ever be remembered and cherished by us all. Words cannot say what so many beautiful floral offerings expressed. Mr. Repass joins in this feeble but genuine expression of deep and sincere gratitude to the many friends. Mr. and Mrs. R. A. Anderson and family.

FOR SHERIFF

Having received the nomination from my party in the regular county mass meeting, I am a candidate for re-election to the office which I now hold, that of Sheriff of Smyth County.

During my term of Sheriff I have done my utmost to be fair and impartial in all cases, and to be patient and kindly whenever it has been my unpleasant duty to make an arrest.

I have devoted all my time and energy, often at my own personal expense, to give Smyth county proper police protection and to render to the public the many small services which are expected of my office.

I sincerely hope that the past record of the office is such as will justify my election again by the voters of Smyth county. I appeal to you for support on the basis of my past record as Sheriff of Smyth county for the past 16 years.

Respectfully yours,
S. F. DILLARD.
